

### DEVELOP YOUR OWN UNIQUE WORK SPACE

ErgoStor™ has developed a modular joinery system that can be customised to meet the dispensary needs of any hospital, medical centre, nursing home or retail pharmacy. A system to improve workflows and maximise the effective use of space.

This ErgoStor™ cabinetry system can be configured to include:

- Work Stations - seated or standing
- Medication Drawers with self-closing drawer runners
- PullOut Wire Baskets with Dividers
- PullOut Medication Shelving
- Cabinets with Melamine Shelves
- Cabinets with PullOut Shelves for printers
- Cabinet with PullOut rubbish bin

All below a continuous melamine bench top.

The system is designed with colour matched trims and stylish finishes to impart a professional appearance to create a pleasant and efficient work space.
